Colonial Mahogany Bedroom Furniture.

No one has ever doubted the correctness of Mahogany Bedroom

Furniture, and as for Colonial designs, they have been held

in high regard and greatly admired by all generations.

Our selections of Colonial Mahogany Bedroom Furniture are very attractive. They are in the rich, dull finish much in demand at present, and perfectly constructed, retaining all of the durable qualities associated with it since the days of our forefathers. In design and appearance it is elegant, depending solely upon the beauty of wood and rich simplicity of design for its artisticness.

We illustrate exactly a matched set-bureau, chiffonier, and toilet table-all solid mahogany, best cabinet work throughout, warranted absolutely dustproof and fitted with fine French plate

Bureau, \$37.50.

Chiffonier, \$35.00.

Toilet Table, \$30.00.

Greater Palais Royal Opens Its Doors To-day.

VAST IMPROVEMENTS ARE SEEN

Establishment Transformed, as to Interior and Exterior. Many Novel and Admirable Features Are Installed for the Convenience of Feminine Patrons.

Something new to the shepping world-omething that represents months of en-

ergy and an outlay of thousands of dolars-will be offered to Washingtonians for their delectation this morping when the doors of the Greater Palais Royal are thrown open. The interior and ex-terior of one of the largest dry goods-emportums in the South has been com-pletely transformed, and patrons will be urprised at the many wonderful changes —changes made especially for the shoppers' convenience that have taken place. Department by department, from the basement to the top floor, blazes with mirrors, and the latest and most expensive store furniture has been installed in place of the modest fixtures of the past. A new cash system of the latest device reduces time in waiting for change and checks: a plumer type of elevators, the safest and most comfortable and rapid to be had, has been installed; a mexanine balcomy that extends around the entire building, and which will allow vistors and purchasers an opportunity to gaze upon the busy scene below with unobscured vision, has been erected, with marble steps leading to it; sprinkler feature, for use in case of tire, and electric dumb waiters, for use between the workchanges made especially for the shop
